Dear Faculty and Staff:

I am looking for helpers/participants for Alumni Night next Friday, May 12 from 6:30-9:30.

\*There is someone providing food to be sold for us and he is bringing his own helpers.

\*A D. J. will play live music.

\*Many former students, faculty/staff will attend. We are expecting a large turnout.

Some of the help needed will be:

- People to: greet guests, provide crowd control, help with the tour, help share memories on stage, and cleanup. (Classrooms will need to be open that night).

Also, Mrs. Jackson is putting together collages with class pictures, etc. If you could help her in any way, please let her know. (We will also need people to help keep an eye on these pictures at the tables).

I've made a list of people who I believe should be acknowledged publicly. Please let me know if there is someone who should be added. (Mrs. Carotenuto, Mrs. Rowe, Mr. Martz, Mrs. Bulfamante, Father Sullivan, Sr. Mary Shea, Judy McDonnell, Flo Benza, Lucy Tarangelo (Lopez), Sr. Roseanne Drew, Ms. Capello, Mrs. Lewis, current and former faculty and staff.....?????).

I need to know what we're working with, so if you could please fill out this form below and leave it in my mailbox, it would be much appreciated. Thanks.

Brian
